

DEPARTMENT OF THE AIR FORCE
AIR EDUCATION AND TRAINING COMMAND

To whom it may concern,

OMG Sounds has provided excellent DeeJay entertainment to our venue. I am the manager of the Lackland Bowling Center and Lackland Golf Course. Since OMG Sounds have been a part of our entertainment, we have earned the prestigious honors of being named the Best Bowling Center in the Air Force for both 2011 and 2012.

OMG Sounds presented us with an opportunity to entertain our guests of over 700 family and friends of newly graduating Air Force members 50 weeks of the year. They have consistently performed above our expectations and have earned numerous accolades by their audience and our staff. They continuously provide an excellent mix of quality sound and personality.

Since hiring OMG Sounds, our relationship has grown into other base venues. They support all Lackland Youth Sports Events sponsored by our bowling center. The event culminates the youth season for over 250 kids quarterly, ranging from 5 – 12 years of age. At our golf tournaments, OMG Sounds have also provided music entertainment to over 150 participants from ages 19 – 75 years of age, further exhibiting their extensive and wide variety of musical genres.

I highly recommend OMG Sounds for your venue. They provide Class A, DeeJay entertainment as well as flexibility to make timely changes to fit an audience. I feel the key to their success is that they pride themselves on diagnosing an audience and giving them the entertainment experience they project.

For additional information pertaining to OMG Sounds' entertainment, feel free to contact me at 210-671-1234. I am confident that you and your guest's experience with OMG Sounds will be as favorable as ours.
